### **Filling Vacant Seats**

In order to fill the vacant alternate seats that were not filled as part of this process, the application process will be left open until all the seats on the BLSC are filled. The City encourages eligible community members to apply to fill those vacant seats.

Eligible candidates for the BLSC are required to be 18 years of age and affiliated with any of the above positions. To be considered for the BLSC, please submit a signed stakeholder committee application form and proof of eligibility to the City Planning & Community Investment Department, Attn Lara Gates 202 C Street MS 4A, San Diego, CA 92101.
